

GODREJ SOUTH ESTATE

SOUTH DELHI

Innovation. Sustainability. Excellence.

You'll find these values are the cornerstone of everything we build at Godrej Properties. And it is this very same legacy of trust and commitment to cutting-edge design that gives shape to whatever we put our hands to. Rooted in an unwavering passion for innovation, we've built many landmarks across the country, over the past 122 years.

Some of which feature projects such as Godrej One, The Trees, Godrej Golf Links and Godrej Reflections. So, with a proud tradition of many firsts in the real estate industry, we still find ourselves busy at work, laying the foundations for landmarks that are truly one of a kind.

A LEGACY OF TRUST.

An aerial photograph of a complex geometric garden. In the center is a large, multi-pointed star-shaped structure made of light-colored stone or concrete. Surrounding this central structure are several circular pools of water, each framed by a dark, possibly metal, border. The pools are arranged in a symmetrical pattern around the central star. The overall design is highly geometric and symmetrical, with a mix of light and dark tones.

A LANDMARK THAT HAS ALL THE RIGHT CONNECTIONS.

Here’s a landmark that will always find itself in good company. This revered address, in fact, finds itself near one of the finest parts of South Delhi as places like Greater Kailash, New Friends Colony, Defence Colony and Saket are merely few kilometers away. It also finds itself in the company of many notable landmarks in the vicinity around. Landmarks such as the Lotus Temple, Tughlaqabad Fort, NFC Club and the Asola Reserve to mention a few. One of its greatest features, however, remains the great connectivity it enjoys with both Noida and Faridabad are in close quarters, with easy connectivity to Gurgaon.

Thanks to its strategic location with easy connectivity to the Delhi-Noida Direct road and the Outer Ring Road, it ensures that neighbouring cities like Noida and Gurgaon are in close quarters. Moreover, the Outer Ring Road also happens to be very close to our location.
